To Whom It May Concern:

The grassroots fundraising program of the Lance Armstrong Foundation brings together a diverse group of volunteers dedicated to helping people with cancer live strong. Members raise funds and awareness for the LAF in their local communities in support of our mission. In 2005, over 6,500 members collected more than $7 million in charitable contributions and we were represented in all 50 states and in 24 countries.

This letter is to certify that Jim Filanc and the Baja 1000 is an acknowledged participant in the grassroots fundraising efforts of the Lance Armstrong Foundation. This letter is also to assure you that any charitable contributions given, monetarily or in-kind, in support of Jim and the Baja Team will support the Lance Armstrong Foundation and our mission of providing the information and tools cancer survivors need to live strong. The support of businesses and individuals is vital to our success and with their help we *will* improve the world for the more than 10 million cancer survivors living in the U.S. today.
The Lance Armstrong Foundation is a registered 501(c)(3) nonprofit organization located in Austin, Texas (Tax-ID #74-2806618). For more information, please visit our website at www.livestrong.org.

Thank you again for your support of the Lance Armstrong Foundation.

Sincerely,

Natalie Seeboth
